RE: Flags Lowered for Patriot Day 2020

At the request of President Trump, I am directing flags to be displayed at half-staff on Friday, September 11, 2020 to honor and remember the nearly 3,000 Americans that lost their lives on September 11, 2001.

My hope and prayer for our country is that we never forget those who were lost and the sacrifices we made in the days that followed. May God continue to bless those who mourn, the great state of Alabama, and these United States of America!

The flags should remain lowered at half-staff for the entire day on Friday, September 11, 2020.
