

Proclamation

By the Governor of Alabama

WHEREAS, Alabama has a rich and storied tradition of hunting and angling that dates back further than the state itself and carries forward to this day; and

WHEREAS, Hunting and angling continue to be an integral component of the cultural fabric of communities throughout the state and offer participants an opportunity to connect with nature on a personal level while simultaneously providing food security, a sense of self-sufficiency, and both mental and physical health benefits; and

WHEREAS, Alabama sportsmen and women were among the first conservationists to support the establishment of the Alabama Department of Conservation and Natural Resources to conserve fish, wildlife and their habitat, and through their license fees helped fund state efforts to provide for healthy and sustainable natural resources; and

WHEREAS, upon realizing that license fees alone were insufficient to restore and sustain healthy fish and wildlife populations, sportsmen and women supported self-imposed excise taxes on firearms and ammunition, fishing tackle, and motorboat fuels to raise additional conservation funds; and

WHEREAS, to this day, the Alabama Department of Conservation and Natural Resources is funded by sportsmen and women through this American System of Conservation Funding – a “user pays – public benefits” approach that is widely recognized as the most successful model for funding fish and wildlife management in the world; and

WHEREAS, last year alone, Alabama’s sportsmen and women generated \$44.09 million through this System to support the conservation efforts of the Alabama Department of Conservation and Natural Resources; and

WHEREAS, 948,000 hunters and anglers support the state’s economy through spending more than \$1.9 billion while engaged in their pursuits; and

WHEREAS, this spending supports more than 37,475 jobs in Alabama and generates \$165 million in state and local taxes; and

WHEREAS, National Hunting and Fishing Day was established in 1972 to celebrate and recognize hunters and anglers for their immense contributions to fish and wildlife conservation and to our society;

NOW, THEREFORE, I, Kay Ivey, Governor of Alabama, do hereby proclaim September 26, 2020, as

National Hunting and Fishing Day

in the state of Alabama.

Given Under My Hand and the Great Seal of the
