RE: Flags Lowered for Peace Officers Memorial Day

In accordance with Public Law 103-322, I am directing flags be flown at half-staff on Monday, May 15, 2023 for Peace Officers Memorial Day.

Alabama will always stand in solidarity with the men and women that protect our communities, state and nation every day. We are forever indebted to those who have made the ultimate sacrifice and the families they have left behind. Without our law enforcement community, our way of life would be in jeopardy, and it is incumbent upon us to honor their sacrifices not only on Peace Officers Memorial Day, but every day.

The flags are to be lowered to half-staff at sunrise until sunset on Monday, May 15, 2023, at which point all flags should be raised back to full staff.
