RE: Flags Lowered for National Pearl Harbor Remembrance Day

In accordance with the presidential proclamation, I am directing flags be flown at half-staff on Thursday, December 7, 2023 to honor and remember our military members who heroically fought at Pearl Harbor.

Eighty-two years ago, the world watched in both horror and disbelief as Japanese fighter planes launched a surprise attack on the United States Naval Base at Pearl Harbor, Hawaii, killing more than 2,400 Americans and destroying much of the Pacific Fleet. May we never forget those who paid the ultimate sacrifice while defending our country and protecting the American way of life.

The flags are to be flown at half-staff for the entire day on Thursday, December 7, 2023.
